

To whom it may concern,

I am writing to express my strong interest in being considered for inclusion in the forthcoming Innovation Showcase. As an innovative entrepreneur and a dedicated advocate for technology-driven solutions, I believe my work embodies the spirit of innovation and could make a significant contribution to the event.

Team LIFT is an innovative fitness and wellbeing application that has been developed to address the pressing challenges in the fitness and nutrition industry. With a comprehensive approach that emphasises personalised fitness routines, gamification and privacy, Team LIFT stands at the forefront of the fitness sector. We believe our project has the potential to help change the way people approach fitness, and we are seeking support and funding to propel this project to the next level.

We hope to engage the industry panel at the Innovation Showcase and secure the support and funding necessary. By the end of our presentation, we aim to convey the true potential of our project and gain interest from industry experts, potential investors, and partners.

I would be delighted to have the opportunity to discuss my inclusion in the Innovation Showcase in greater detail. Please feel free to reach out to me at team_lift@gmail.com or +61 478365284 to schedule a meeting or to request additional information.

Thank you for considering my application. I look forward to the opportunity to contribute to the Innovation Showcase and celebrate the spirit of innovation that drives progress and positive change.

Kind Regards,

Thilini Fonseka
